

LIX-206 Riser Clamp

WITH FELT LINING

WITH EPDM RUBBER LINING

Riser Pipe Clamp For Vertical Steel Pipe

Material: Carbon Steel

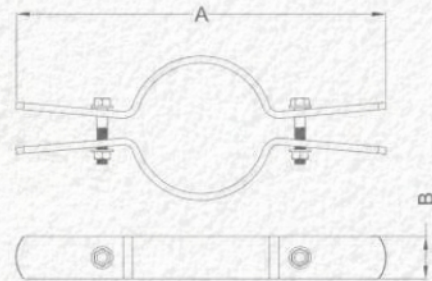

Size Range: 1/2" through 30"

Finish: Electro Galvanized/Zinc Rich Composite

Felt-Line is available

UL Approved Upto 8"

- ▶ Comply with Federal Specification WW-H-171E and American Manufactures Standardization Society MSS SP-69 & SP58 (Type 8)
